*Agem organizer kits are better than aspirin for a jeweler's headache!*

## STERLING & GOLD FILLED JUMP RING KIT

This is the original 46 bottle Jump Ring kit designed by Abe Goldfarb in 1949. Often imitated, but never duplicated for quality and versatility, this master assortment is a necessity for every repair department. Our latest cabinet features unbreakable bottles and stoppers and large reorder labels. Kit contains round and oval jump rings in sterling silver and 14K yellow gold filled. Total quantity is about three gross. Refills available by the dozen.
