### BAND BUCKLE KIT

Seiko-type stainless steel CENTER CATCH style watch band buckles. Buckles are stainless steel. Handy kit contains all sizes and comes either all yellow or all white. Total of 8 pieces.

**FC-1000** Specify YELLOW or WHITE

### PRESSURE PIN KIT

Pressure pins are used in removable links in many adjustable watch bands. They are slightly thicker on one end and stay in place by friction. This kit comes with pressure pins from 8.0mm to 20.5mm. Refills in dozens. Stock Number **PR-26** (call for price)

Both kits come in 24 vial organizers.

### COTTER PIN KIT

Cotter pins are the split-type pins used in some adjustable watchbands. This convenient kit comes with 84 cotter pins from 6.5 to 18mm in a 24 vial organizer. An indispensable aid to have on hand when you need it. Refills by the dozen. Stock Number **PI-1028** (call for price)

# ULTRASONIC CLEANING

## GemOro NEXT-GEN ULTRASONICS

### Choice of 2 Quart or 3 Quart Models

**STRONGER POWER...GREATER DURABILITY...LONGER WARRANTY...INCLUDED ACCESSORIES**

You're in control. Featuring two intense cleaning powers at the flip of a switch. Turbo Sweep Technology® for the toughest jobs and Power Sweep Technology® for more delicate jewelry. Simply put, GemOro cleans jewelry faster and more effectively than ever before. The exclusive Instantaneous Digital Degassing "IDD" speeds up the cleaning process and Automatic Load Self-Tuning "ALST" constantly adjusts to maximum cleaning output and load voltage to maintain consistent cavitation and cleaning regardless of load and liquid levels. The thermostatically controlled VARI-TEMP heaters may be adjusted as you like. Change the cleaning time from 0-60 minutes with its fully adjustable timer, no problem.

They look great too. Brushed stainless steel cabinets and tanks resist rust and damage from harsh chemicals and heat, ensuring years of reliable use.

Only GemOro's ultrasonics include everything you need, since all come with both stainless steel baskets and locking tweezers.

- Thermostatically controlled heater, timer and stainless steel cover. Basket included.
- Dual power modes - Power Sweep and Turbo Sweep technologies
- Adjustable thermostat temperature control
- Heavy-duty brushed stainless steel outer cabinet
- Dura-Heat™ Long-life built-in heater
- Chemical resistant Rocker Shield switch guard boot cover
- Auto load self-tuning
- 0-60 minute timer
- Removable stainless steel cover for evaporation control
- The best warranty on the market: 2.5 years on the unit and 10 years on the transducer
- Engineered in the USA

#### 2QTH TWO QUART NEXT-GEN ULTRASONIC AMAZING FEATURES:

# DIAMOND TESTING

## DIAMOND & MOISSANITE TESTER

### UltraTester II®

#### Identifies, Detects and Separates Diamond from CZ and Moissanite

The engineers at GemOro Superior Instruments have developed the ultimate simultaneous diamond and moissanite tester, which even has white sapphire indication. The new generation UltraTester II® uses state-of-the-art ULTRA digital electronics, coupled with its even greater testing sensitivity make this tester the industry's most accurate, reliable and popular combination tester in its class. GemOro sets the new standard for the ultimate protection against diamond simulant fraud! PATENTED.

- Unprecedented lifetime limited warranty
- State-of-the-art ULTRA digital electronics
- Bright white LED stone illuminator light
- Fast warm-up time
- Durable and protective spring-loaded retractable ULTRA probe tip with cap
- Glowing probe tip indicator: DIAMOND = GREEN, MOISSANITE = BLUE and METAL WARNING = RED
- ULTRAgrip rubberized paint finish
- Ergonomic shape with angled probe tip
- Powered by 3 included user-replaceable long life NiMH rechargeable batteries; Alkaline batteries may be used in place of the NiMH rechargeable batteries if needed.
- May be used with GemOro UltraDock® battery charging stand accessory (Item #0752)
- Exclusive metal warning beep tone indicator
- Superior Surface Mount Technology (SMT)
- LED bar graph/beep tone provides audible and visual diamond, moissanite and white sapphire indication
- Battery saving auto sleep-mode function
- NiMH rechargeable batteries, AC adaptor/charger, newly designed carrying pouch, and new rubberized neoprene portable presentation and storage case included
- Designed in the USA
